

Dear Friends,

Of all things we can give our children, a good education is invaluable. Our children are an investment to our future. With continued help and support from you, the Marlboro Educational Foundation can continue to fulfill our mission: to promote and provide innovative educational programs and projects for over 6,000 students of **Marlboro Township** school district, grades K-8. The grants supporting these programs and events are funded entirely with monies raised through donations and fundraising events.

We are pleased to announce, **Midnight at the Masquerade: Murder Mystery Night**. The MEF Murder Mystery Night will be held on Friday, November 2, 2018. It is a great way to expose your business to local residents as well as to place your investment in the education of our future business leaders.

We are asking for any donations of merchandise or gift cards to be used as prizes for the winners. If you need a representative to answer any questions or pick up any items, please call Sarah Perrella (732) 740-6797.

For items that need to be mailed, please use the following address:

Marlboro Educational Foundation
1980 Township Drive
Marlboro, NJ 07746

Upon receipt of your donations, tax forms will be made available upon your request.

Thank you in advance for your donation to our children.

Sincerely,

Briana Leschen and Sarah Perrella
